La-la-la  
La-la-la  
La-la-la  
La-la-la (hey)  
La-la-la  
La-la-la  
La-la-la  
La-la-la (yeah)

I wanna see your face but if you look me in the eye,  
I never tried to say your face but baby don't you cry  
Everybody knows that you were fallin' in love with a boy (echo)  
With a boy (oh baby)

Chorus:

Everybody knows that it's seven days a week  
Everybody knows that your mouth looks like a beak  
And it's all your fault baby I don't care  
I know what happened and I just can't tell you

Everybody knows that I am a little loser  
All the things I said to you was wrong  
I never know that everything is gonna  
Be okay and you will never know that  
I'm here to save the day

(Repeat Chorus)

La-la-la
