Jodi Benson, Vain

I'm walkin' down the sidewalk
People turn to stare at me
And I'm wonderin' why-ay...
People are so vain, yeah-ah-ah

Chorus:
I know my hair ain't fixed up nice
And I've got some bad acne
But who cares?..whatever
Tha-ah-t's me

I want to cuss 'em out
But I contain myself
They shouldn't be starin'
It's the personality that counts

Chorus:
I know my hair ain't fixed up nice,
And I 've got some bad acne
But who cares?..whatever
Tha-ah-t's me.
