

Jody Grind, Bath Sister

She's sitting in the water
[Sorta] grooving in the ocean room
'Cause she's the cleanest chick around
You're surely gonna find out soon
She sits all day and floats away
The water always stays in tune

Bath Sister, how I miss your
bubbles bursting on my nose
And the goosey pimples
when I feel your hair between my toes
Bath Sister, Bath Sister,
won't you tell me where you're at?

'Cause she's the cleanest chick around
You're surely gonna find out soon
She sits all day and scrubs away
The water always stays in tune

Bath Sister, how I miss your
bubbles bursting on my nose
And the goosey pimples
when I feel your hair between my toes
Bath Sister, Bath Sister,
won't you tell me where you're at?

Bath Sister, listen here,
[.....] into my bed
