

# Jody Miller, Before You Go

Oh you say that you're goin' away and leave me  
And you say you ain't never comin' back  
That you're sick and tired of how I'm doin'  
And you're gonna head off down the track  
But darlin' before you go be sure you know how much I love you  
And that I'm sorry for the quarrels that we had  
If you leave you're gonna tear my world to pieces  
So take it slow be sure you know before you go

[ guitar ]

Oh your wounded pride has blinded your reason  
And right now you want to hurt me if you can  
And that man is here to take you to the station  
And you're leaving with your ticket in your hand  
But darlin' before you go...
