

# Jody Miller, Don't Let Him Know

Lips make a smile on my face eyes don't let him see you shed a tear

Heart don't let him hear you skip a beat

And pride don't let him know how much I care

Don't let him know don't let him know how much I care

Laugh dance and sing so he won't notice the hurt that's still burning deep inside

And don't let him see the way I tremble don't let him know how much I cried

Don't let him know don't let him know how much I cried

[ steel + strings ]

Oh don't let him know don't let him know how much I cried
