

Jody Miller, Odds And Ends (Bits And Pieces)

A photograph that's signed with love old records and one empty glove
Why did you leave so many things to tear at my heart strings
Odds and ends bits and pieces of an old love affair
Old love letters and some flowers that I wore in my hair
Odds and ends bits and pieces of those happy bygone years
Odds and ends that keep tugging at my tears

A book you read a good luck charm I gave to keep you from my harm
A tear-stained note you left behind but all the tears were mine
Odds and ends bits and pieces...
