

Jody Miller, Someone To Give My Love To

I could search from now to the end of time and never find another you
I'm so glad because I know you're mine someone to give my love to
I believe my love that you're one of the kind for there's no one else like you
You're the light of my life so let it shine someone to give my love to
I find happiness is loving you I'll do my best to make your dreams come true
I will follow you to the end of the earth for my place will be with you
I have taken you for better or worse someone to give my love to
I find happiness is loving you I'll do my best to make your dreams come true
The days of man-and-wife-time are precious few I will spend them all with you
Then beyond forever I'll wait for you someone to give my love to
