

# Jody Miller, To Know Him Is To Love Him

To know know know him is to love love love him  
Just to see him smile makes my life worthwhile  
To know know know him is to love love love him and I do and I do and I do

I'll be good to him I'll make love too him  
Everyone says there'll come a day when I'll walk alongside of him  
Yes to know know know him is to love love love him and I do and I do yes I do  
Why can't he see oh how blind can he be  
Someday he'll see that he was meant meant for me  
To know know know...
