

# Jody Miller, Together Again

Together again the tears have stopped falling  
The long lonely nights are now at an end  
The key to my heart you hold in your hand  
And nothing else matters we're together again  
[ steel + strings ]

Together again the grey skies are gone  
You're back in my arms now where you belong  
The love that I knew is living again and nothing else matters we're together again  
And nothing else matters we're together again
