

# Jody Miller, When He Loves Me (He Loves Me All The Way)

Sometimes when he comes home I'm cookin' breakfast  
I haven't slept a wink all night long  
I've been layin' in bed thinkin' like a woman  
Wonderin' if my man's been doin' me wrong  
To think he might be out with another woman makes my temper rise with jealousy  
But all these years I've never caught him cheatin'  
I guess he needs some time away from me  
But when he loves me he really loves me ain't nothing left for me to say  
But when he loves me he really loves me he loves me all the way  
I ain't never gonna worry bout tomorrow as long as he makes everything alright today  
I'd rather wonder a little and have his lovin'  
Cause when he loves me he loves me all the way  
When he loves me he really loves me...  
Cause when he loves me he loves me all the way
