

Jody Miller, When He Loves Me (He Loves Me All The Way)

Sometimes when he comes home I'm cookin' breakfast
I haven't slept a wink all night long
I've been layin' in bed thinkin' like a woman
Wonderin' if my man's been doin' me wrong
To think he might be out with another woman makes my temper rise with jealousy
But all these years I've never caught him cheatin'
I guess he needs some time away from me
But when he loves me he really loves me ain't nothing left for me to say
But when he loves me he really loves me he loves me all the way
I ain't never gonna worry bout tomorrow as long as he makes everything alright today
I'd rather wonder a little and have his lovin'
Cause when he loves me he loves me all the way
When he loves me he really loves me...
Cause when he loves me he loves me all the way
