

Jody Miller, Will You Love Me Tomorrow

Tonight you're mine completely you give your love so sweetly
Tonight the light of love is in your eyes but will you love me tomorrow
Is this a lasting treasure or just a moment's pleasure
Can I believe the magic of your sight will you still love me tomorrow
Tonight with words unspoken you say that I'm the only one
But will my heart be broken when night meets morning sun
I've got to know that your love is love that I can be sure of
So tell me now and I won't ask again will you still love me tomorrow
So tell me now and I won't ask again will you still love me tomorrow
Tell me baby will you still love me tomorrow will you still love me tomorrow
