

Joe Bonamassa, One Of These Days

One of these days boy , i'm gonna see my woman
I'm gonna see my children , children on their knee
Gonna run up to my woman , and hold her in my arms
With tears in her eyes , she said i'm glad you're free

She's coming down the road boy , i said she's coming down the road
She's got her Red dress on , yeah she's got her Red dress on
She's coming down the road boy , with her bags down low
Said she's coming down the road boy , she's got her bags down low , hey yeah

Oh One of these days , i'll be coming home soon girl , i'll be coming on home
One of these days boy , i'll be coming on home

One of these days boy , i'm gonna see my baby
Gonna see my baby , coming down the road
Gonna have my Pardon , Pardon in her Apron oh Lord
Wanna see The Governer , she said Release my Man

Hey One of these days , i'll be coming home soon girl , i'll be coming on home
I'll be coming down the road boy , with my bags down low
One of these days boy , i'll be coming on home
