Joe Christmas, Baby Shoes

Hey, it's me trying to get closer

But feeling like a chump instead,

Is it in my head?

Can I be what you want me to be?

You can walk away so far and I'll be there

Buckle me up, let's go for a ride

It's a mystery what's inside

Give to me what you've been hiding

Or just hurt me

You can let me fall and I'll get up for sure

I'm on the wrong side of my head
