

# Joe Christmas, Best Wishes

Am I trying too hard? Am I trying at all?

I don't know, we had it all until you told me so

Why do you wonder so?

Where I hang and where I go.

Don't dis my clothes, the

Picture's crooked but so is the home

"Don't expect me to be your miracle

I'm bound to fall"

"Don't expect me to be your miracle

I'm bound to fall."
