## Joe Cocker, I Keep Forgetting

(Leiber/Stoller)

I keep forgetting you don't love me no more I keep forgetting you don't want me no more I keep forgetting that you told me that you Didn't want me around anymore But these stupid old feet Just head for your street Like they've done so many times before And this stubborn old fist At the end of my wrist Keeps knocking on your front door

I keep forgetting you don't love me no more I keep forgetting you don't want me no more I keep forgetting about those heartbreaking nights Ant those heartbreaking things that you said Though it's plain as can be You're finished with me I can't believe our love is dead Though I know in my heart We've drifted apart I just can't get it through my head
