

Joe Cocker, No Ordinary World

(Steven A. Davis/Lars Anderson)

My Day Starts Off The Same
It Looks Like It Might Rain
But I Will Not Complain
Cause I Can See The Sun

I Say My Little Prayers
Running Down The Stairs
The Streets Are Going Nowhere
But I Don'T Care

Cause This Day Is Beautiful
Nothing'S Gonna Get Me Down

It'S No Ordinary World
When You'Re Here With Me
I Take The Time To Smile
I Have The Space To Breathe

It'S No Ordinary World
When You Walk With Me
I See Inside My Dreams
Every Diamond Every Pearl
It'S No Ordinary World

Everybody'S Got A Dream
Every Thought And Every Scheme
And All The Spaces In Between
To See The Clouds

But I Won'T Give It Too Much Time
To Get Inside My Mind
Cause All That Really Matters
Is Here And Now

When Your Laying Close To Me
(When Your Bodies Close To Me)
Your All The Joy I Need

Your Hand In Mine No
Reason To Take Our Time
Surrender To Love Like Good Religion
