

# Joe Cocker, She Believes In Me

(Adams/Kennedy)

'm tossing and turning and I can't get to sleep  
Got something on my mind I just can't release  
Then she whispers so softly that she believes in me

If I let her down and tried to disguise it  
She always see's through it always replies that  
No matter what I do she believes in me

All the times I failed gone slightly off the rails  
She's there to remind me she believes in me  
When it all goes wrong and I feel I'm on my own  
She's there to remind me she believes in me

Don't get me wrong I'm not some kind of fool  
I'd give her my world if she asked me to  
Cuz here's no denying she believes in me

But I'm only human I'm just a guy  
That sometimes makes mistakes and I can't explain why  
Some say she's crazy but she believes in me

All the times I failed gone slightly off the rails  
She's there to remind me she believes in me  
When it all goes wrong and I feel I'm on my own  
She's there to remind me she believes in me

She believes in me in what I do  
She believes in me I need her too  
She believes in God above  
She believes when we make love

All the times I failed gone slightly off the rails  
She's there to remind me she believes in me  
When it all goes wrong and I feel I'm on my own  
She's there to remind me she believes in me  
Ya she's there to remind me she believes in me  
Ya she's there to remind me she believes in me  
Ya she's there to remind me she believes in me
