

# Joe Diffie, Whole Lotta Gone

She might be living in Dallas  
or Denver, Colorado I know she likes it cold  
She might have packed and moved back to Alabama  
There's no tellin' where she is, but theres one thing I know

Chorus-

She's a whole lotta gone, we're a whole lotta though  
How can I hold on when there's nothing to hold on to?  
There's a whole lot of difference between love and a lone  
When you add up the distance she's a whole lotta gone.

Well I was wrong and I admit it  
I took a lot for granted just a little at a time  
But I still can't believe she went and did it  
At night I dream where she might be  
Just to wake up and find

Chorus

I know she ain't coming back  
That's just the way it is  
Say it any way you want  
but it comes right down to this

Chorus

When you add up the distance  
She's a whole lotta gone

She's a whole lotta gone
