

Joe Dolan, You're Such A Good Looking Woman

When God created a woman for me
He must have been in a beautiful mood
To show the world what a woman could be
When he created a woman like you
He made the sun shine right out of your eyes
He made the moon glow all over your hair
He put a soft summer breeze in your sighs
So you would breathe summer into the air
Oh me oh my you make me sigh
You're such a good looking woman
When people stop and people stare
You know it fills my heart with pride
You watch their eyes they're so surprised
They think you've fallen out of Heaven
And if you listen to what they're talking about
They're talking about who's walking about
With an angel at his side
Up there in Heaven I bet they are mad
I bet somebody will want to know why
The most incredible angel they had
Was found to be quite unable to fly
D'you know what they had forgotten to do
Up there where they make all those heavenly things
They made an angel as lovely as you
But they'd forgotten to fit you with wings
Oh me oh my you make me sigh
You're such a good looking woman
When people stop and people stare
You know it fills my heart with pride
You watch their eyes they're so surprised
They think you've fallen out of Heaven
And if you listen to what they're talking about
They're talking about who's walking about
With an angel at his side
