

Joe Dukie & DJ Fitchie, Midnight Marauders

Take my eyes, that I could be so blind,
Could not see, it was there, waiting,

Lost and found, the second time around,
Woah, take it from me, now I see,
Would not waste a moment, Oh no,

Midnight Marauders, x4

See them come to the midnight show,
Scene of the midnight flower bloom,
Half the track, their moods grow strong,
Who's gonna be the one to go?

(We are the midnight marauders,
Oh! We are the midnight marauders,)
Midnight marauder,
Placing your order, oh ohh ohh,

(We are the midnight marauders,
Oh! We are the midnight marauders,)
Midnight marauders,
Placing your orders, oh oh ohhhh,

(Oh! We are the midnight marauders,)

Work all day upto the night,
And find your way home,
'Night marauder you will never walk alone,
The time has come for us to leave the problems of the day,
And I would not waste a moment no way, no way!

Midnight marauders, x3
Midnight,

Went to the corner store to buy me,
Cigarettes and some papers,
When the girl at the counter caught my eye,
And asked me to meet her later, she said,
Down by the door at the back of the store,
A place where you can lay,
Ohh-oh, placing your order with me now,

Oh! Midnight Marauders baby, x2

(We are the midnight marauders,
Oh! We are the midnight marauders,)
Midnight marauder,
Placing your order, oh ohh ohh,
(We have come to set you free)

Midnight marauders,
Placing your orders, oh oh ohhhh,
(We are the midnight marauders,
Oh! We are the midnight marauders, yeah.)

Midnight marauders, x2

Midnight marauders,
Placing your orders, oh oh ohhhh, x2
