

Joe Ely, Deep Eddy Blues

Deep eddy blues not much to lose
Time on my hands no news no news
Far from my heart lost in my mind
Deep eddy blues sometime sometime

The bar next door to heartbreak hotel
My friends held more than they could sell
Unfaithful heart where will you turn
Deep eddy blues so much to learn

The soundman smiles the jokes on me
How many miles before I'm free
Oh just let go blue diamond shine
The sky aglow I see a sign
