

# Joe Ely, Deep Eddy Blues

Deep eddy blues not much to lose  
Time on my hands no news no news  
Far from my heart lost in my mind  
Deep eddy blues sometime sometime

The bar next door to heartbreak hotel  
My friends held more than they could sell  
Unfaithful heart where will you turn  
Deep eddy blues so much to learn

The soundman smiles the jokes on me  
How many miles before Im free  
Oh just let go blue diamond shine  
The skys aglow i see a sign
