

# Joe Ely, Don't Put A Lock On My Heart

I got your letter in the mailbox, honey  
Love flies, when your far away  
When I get home I&#039;ll give you all a my money

Don&#039;t Put a Lock on My Heart  
Don&#039;t Put a Lock on My Heart  
Don&#039;t Put a Lock on My Heart!

Time will tell about romantic situations  
Recollections are my only friend  
I&#039;ll call you baby when I reach my destination

Don&#039;t Put a Lock on My Heart  
Don&#039;t Put a Lock on My Heart  
Don&#039;t Put a Lock on My Heart!

We can arbitrate with sexy incantations  
Fill the void like we used to do  
Growin&#039; old is just a minor complication

Don&#039;t Put a Lock on My Heart  
Don&#039;t Put a Lock on My Heart  
Don&#039;t Put a Lock on My Heart!
