

# Joe Ely, No Rope, Daisy-O

My Daisy she's crazy  
Just like she seems  
She climbs into bed and covers her head  
And sneaks into my dreams

My Daisy she's lazy  
Don't do nothin' but play  
While I work like a slave  
in an airplane wing  
And bring home all the pay

Well I wish she'd take it easy  
On poor delicate me  
wish she'd take it easy  
It'd be a better day for my Daisy and me!

My Daisy she's amazing  
Sneaks in the movies for free  
While me and the chauffeur  
keep the motor runnin'  
In a rented limosine.
