Joe Ely, No Rope, Daisy-O

My Daisy she's crazy Just like she seems She climbs into bed and covers her head And sneaks into my dreams

My Daisy she's lazy Don't do nothin' but play While I work like a slave in an airplane wing And bring home all the pay

Well I wish she'd take it easy On poor delicate me wish she'd take it easy It'd be a better day for my Daisy and me!

My Daisy she's amazing Sneaks in the movies for free While me and the chauffeur keep the motor runnin' In a rented limosine.
