

Joe Ely, Pins And Needles

I ain't been sleepin'; I ain't been eatin';
I been on pins and needles waitin'; by the phone
You better call me
You better call me
I been on pins and needles waitin'; by the phone
You better call me
Or I'll
Go Crazy!

I ain't been tryin'; I feel like dyin';
I been on pins and needles waitin'; by the phone
You better call me
You better call me
I been on pins and needles waitin'; by the phone
You better call me
Or I'll
Go Crazy!

I should've known when you said so long
To run another telephone line
The operator told me said, 'Joe lay low
Before You lose Your mind.'

I feel forsaken, my heart is achin';
I been on pins and needles waitin'; by the phone
You better call me
You better call me
I been on pins and needles waitin'; by the phone
You better call me
Or I'll
Go Crazy!
