

# Joe Ely, Road Hog

I got a road hog on my mind  
Move over, baby, look out I&#039;m comin&#039; through  
You&#039;re on the side of the road, I got a load on my mind  
And I&#039;m bringin&#039; it home to you

Got a road hog on my mind  
Got a Cadillac V-8 motovin&#039; down the line  
Don&#039;t wave your pretty fist at me, I&#039;m on the Freeway  
Baby I&#039;m losin&#039; time

Well, You know about a road hog  
I guess I&#039;m one  
And this road I&#039;m a hoggin&#039;  
Is the one you&#039;re standin&#039; on

I got a road hog on my mind  
I got a 4-barrel carburetor, 2-barrel shotgun  
And one good barrel of wine
