

# Joe, Faded Pictures

That's right  
Life is funny ain't it  
Sometimes you can end up with  
Somebody you really don't wanna be with  
And others left to figure it out  
Check it  
She was more than a woman, a goddess for all to see  
All I ever needed was her right here loving me  
For a while we were cool and the groovin' of love was on  
But I still remember how it felt when her love was gone  
(Bridge)  
Tattered picture book  
Was a photograph she took years ago  
Secret memories in her mind, how could love be so unkind  
Heartbreak time  
(Chorus)  
Faded pictures in a broken glass  
Like a mirror revealing  
What the woman is feeling  
Was it someone from a distant past  
'Cos it's breaking my heart  
To watch her stare into the glass  
As she turned through the pages the tears rolled down her face  
I could see her reminiscing, why her life had to be this way  
As she stopped and she came to a page where her diary end  
To smell the scent of an old rose, from her lover I suppose  
(Bridge)  
(Chorus)  
As she stares into the glass, I'll be waiting  
'Cos she's lost inside the past (x2)  
(Chorus)  
Faded pictures in a broken glass
