Joe, Ghetto Child

(feat. Shaggy)

{All the ghettos around the world} {Dig this} {Ghetto Fabulous Joe} {Shaggy} All the children sing {Uh}

I'm a ghetto child I'm a ghetto child (Check it, out)

There's a world out there that I wanna see There's a man that I'm destined to be I won't be stopped by the ghetto streets I believe inside that I can't be beat

This life could be a ball and chain
If you let yourself get caught in the game
I had some friends who sold drugs for dough
But I don't intend to go down that road

Just because I'm a ghetto child
I won't live down to your expectations (No, no)
Just believe that a ghetto child
Can rise in the highest celebration (Oh)
Know that I am a ghetto child
But I can see the best in me, can you
I'm a ghetto child

All the ghettos around the world, dig this

One day I'm gonna change the world Make a better place for every boy and girl Everyone in need, homeless families Have a place to sleep and food to eat

I'll take every gun off the streets So another tear won't be shed in grief And every thug in every hood I will make 'em change from bad to good

I believe that it can be done Gotta start somewhere and I'm that one All the children sing (Yeah, yeah) All the children sing (Yeah, yeah)

Just because I'm a ghetto child I won't live down to your expectations Just believe that a ghetto child Can rise in the highest celebration Know that I am a ghetto child But I can see the best in me, can you I'm a ghetto child (Ooh, yeah, ooh)

{Hey, yo', look at me inna different light} {Spare me all about those stereotypes} Ain't no madness that'll bring me down Gonna take this life and turn it around

{Now see, the sky's the limit, I won't be denied} {Ain't no stoppin' me, I'm a ghetto child} And at the end when it's said and done We will all be singin' this ghetto song I believe that it can be done (Yeah, oh) Gotta start somewhere and I'm that one All the children sing (Yeah, yeah) All the children sing (Yeah, yeah)

Just because I'm a ghetto child
I won't live down to your expectations
Just believe that a ghetto child
Can rise in the highest celebration (Oh...oh...oh...)
Know that I am a ghetto child
But I can see the best in me, can you
I'm a ghetto child (Let's go to church now)

Just because I'm a ghetto child (Uh)
I won't live down to your expectations (Take me to church now)
Just believe that a ghetto child (Ooh)
Can rise in the highest celebration (Hey, hey)
Know that I am a ghetto child (Ooh, yeah)
But I can see the best in me, can you
I'm a ghetto child (Hey, ghetto child,
whoa...oh...ooh...)

Just because I'm a ghetto child I won't live down to your expectations (Sing a song for me)
Just believe that a ghetto child (Sing a song for me)
Can rise in the highest celebration (Everybody sing it now, yeah)
Know that I am a ghetto child
But I can see (Ooh, yeah) the best in me, can you (Oh) I'm a ghetto child (So I can see the best in me, can you)

It's not where you're from, it's where you're gonna be (Hey) It's not where you're from, it's where you're gonna be
