

Joe, Good girls

Baby, girl, alright
I gotta find me a girl
Oh?oh?oh?whoa?whoa?
Alright now
Sunshine from the first time that we met
Helpless, you took my heart, I must confess
Deep in your eyes, there seemed to be a look that said
?Hello, is it me you're searchin' for??
Suddenly my sunshine turned to rain
I don?t know if it?ll ever come back again
That?s what you are, sunshine and rain (Ah?ah?oh?)
Yours didn?t say you had a man, there?d never be love within your plans
And it hurts so bad, someone tell me
Why are all the good girls (Oh?) taken every time (Ooh, baby)
And why do I keep fallin' for someone else?s dime (Oh, oh)
Every time love says, ?Hello? then they say ?Goodbye?
So why are all you good girls taken every time (Taken every time)
Dancing with your body close to mine [Then you kissed my lips, girl]
Girl, I thought it was a sign
I want you forever, but good intentions never win
I got that feeling tonight I?ll be alone again
Suddenly my sunshine turned to rain
I don?t know if it?ll ever come back again
That?s what you are (Oh?), sunshine and rain (Oh? oh?)
Yours didn?t say you had a man, there?d never be love within your plans
And it hurts so bad, someone tell me
Why are all the good girls (Oh, oh) taken every time (Ooh, baby)
And why do I keep fallin' for someone else?s dime (I gotta find me a girl)
Every time love says, ?Hello? then they say, ?Goodbye? (Ah)
So why are all you good girls taken every time (Oh?oh?oh?)
Why are all the good girls taken every time (Somebody tell me)
And why do I keep fallin' for someone else?s dime
Every time love says, ?Hello? (Hello) then they say, ?Goodbye? (Please, baby)
So why are all you good girls (Why) taken every time (Whoa, oh)
I gotta believe there?s a Roni for me somewhere in this world
I?m not gonna stop, gonna search till I drop till I find that girl
I gotta believe there?s a Roni for me somewhere in this world
I?m not gonna stop, gonna search till I drop till I find that girl
Why are all the good girls taken every time (Taken every time, babe)
And why do I keep fallin' for someone else?s dime (Why do I)
Every time love says, ?Hello? (Hello) then they say, ?Goodbye? (And, oh?)
So why are all you good girls taken every time (Oh?oh?oh?oh?)
Why are all the good girls taken every time (Oh?sombody tell me)
And why do I keep fallin' for someone else?s dime (Oh, every time I say hello)
Every time love says, ?Hello? then they say, ?Goodbye? (Oh?oh?oh?oh?)
So why are all you good girls taken every time
