Joe Hunt, Blue angel

Just when you thought my shine was burning out
Them cats were down and out in the heat of the night
There aint no problems baby we can get through
You gotta beleive in me and i'll beleive in you
Blue Angel
Just when you thought my shine was burning out
Them cats were down and out in the heat of the night
There aint no problems baby we can get through
You gotta beleive in me and i'll beleive in you
