

Joe Jackson, Memphis

Memphis - Where the hell is Memphis?
Memphis - Where the hell is Memphis?
I got to get away, study my geography
I'm just a shadow of the boy I used to be
I used to see the light, now it's all a mystery
I used to feel the beat, now I feel a million miles from...
Memphis - Where the hell is Memphis?
Memphis - Where the hell is Memphis?
I used dirty words never too excessively
But saying "rock&roll" never seemed so bad to me
I dare said it in hip and happy company
I was in and out in a second on my way to...
Memphis - Where the hell is Memphis?
Memphis - Where the hell is Memphis?
Memphis, so where the hell is Memphis?
I had a one-way ticket and a little radio
I turned it on, heard the sound from twenty years ago
Somebody smiled and said, that's the only way to go
He died at twenty-one, now nobody's innocent in...
Memphis - Where the hell is Memphis?
Memphis - Where the hell is Memphis?
Somebody turned around, said, I got to disagree
He wrote that sort of turn people out to anarchy
He made them think about Marlon Brando on TV
I guess they still went down against anything they got in...
Memphis - Where the hell is Memphis?
Memphis - Where the hell is Memphis?
I met a wise old man, he had longer hair than me
He said, Memphis is nothing like it used to be
A hundred dead guitarists lying in the cemetery
I felt a sudden chill, now I'm not so sure about...
Memphis - Where the hell is Memphis?
Memphis - Where the hell is Memphis?
I'm on a lonesome train on a lonesome track
I think I'll jump right off, head for home, double back
And though I'm better now I know that no-one knows the facts
I'm gonna start again, forget I ever heard about...
