## Joe Jackson, Real Men

take your mind back

i don't know when

sometime when it always seemed to be just us and them

girls that wore pink

and boys that wore blue

boys that always grew up better men

than me and you

what's a man now

what's a man mean

is he rough or is he rugged

cultural and clean

now it's all changed

it's got to change more

we think it's getting better

but nobody's really sure

and so it goes, go round again

but now and then we wonder who the real men are

see the nice boys

dancing in pairs

golden earring, golden tan

blow-wave in the hair

sure they're all straight, straight as a line

all the gays are macho

see their leather shine

you don't want to sound dumb

don't want to offend

so don't call me a faggot

not unless you are a friend

then if you're tall

and handsome and strong

you can wear the uniform and i could play along

and so it goes, go round again

but now and then we wonder who the real men are

time to get scared

time to change plan

don't know how to treat a lady

don't know how to be a man

time to admit

what you call defeat

'cause there's women running past you now

and you just drag your feet

man makes a gun

man goes to war

man can kill and man can drink

and man can take a whore

kill all the blacks

kill all the reds

if there's war between the sexes

then there'll be no people left

and so it goes, go round again

but now and then we wonder who the real men are

and so it goes, go round again

but now and then we wonder who the real men are

and so it goes, go round again

but now and then we wonder who the real men are
