

# Joe Jackson, Stepping Out

Now...

The mist across the window hides the lines  
But nothing hides the colour of the lights that shine  
Electricity so fine  
Look and dry your eyes

We...

So tired of all the darkness in our lives  
With no more angry words to say  
Can come alive

Get into a car and drive  
To the other side

Me babe, steppin out

Into the night

Into the light

You babe, steppin out

Into the night

Into the light

We...

Are young but getting old before our time

We'll leave the T.V. and the radio behind

Don't you wonder what we'll find

Steppin out tonight

You...

Can dress in pink and blue just like a child

And in a yellow taxi turn to me and smile

We'll be there in just a while

If you follow me

Me babe, steppin out

Into the night

Into the light

You babe, steppin out

Into the night

Into the light
