

# Joe Jonas, Gotta Find You

Every time I think I'm closer to the heart  
Of what it means to know just who I am  
I think I've finally found a better place to start  
But no one ever seems to understand

I need to try to get to where you are  
Could it be you're not that far

You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you  
I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you  
Oh yeah, yeah, yeah

You're the remedy I'm searching hard to find  
To fix the puzzle that I see inside  
Painting all my dreams the color of your smile  
When I find you it will be alright

I need to try to get to where you are  
Could it be you're not that far

You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you  
I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you

Been feeling lost, can't find the words to say  
Spending all my time, stuck in yesterday  
Where you are is where I wanna be  
Oh next to you  
You next to me  
Oh, I need to find you  
Yeah

You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you  
I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you  
Yeah, yeah

You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you  
I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you

Yeah, yeah, I gotta find you
