So beautiful to me

Good God sent you to me [?]

Down the wrong road we gonna make  
Trust in love 'cause it's amazing

Of the holding you tight  
This life girl  
You know it ain't right  
But we live in it  
Something we're fighting for  
You know it ain't nice  
It's why the chrome keep it  
Nice for me killin'-ish

I pray the Lord forgive it-ish  
One day we be out the hood  
God would that be nice
