

# Joe Louis Walker, Mama Didn't Raise No Fool

If I was a fool, it would sure be easy  
I could fall, oh baby, for your wicked smile  
Buy you a drink, whisper some lie, oh no  
And we could go somewhere quiet, for a little while

But my mama she didn't raise no fool  
She said, you be careful what you do  
Don't let no-one take advantage of you  
But my mama she didn't raise no fool  
No fool

If I was a fool, I'd forget those promises I already have made  
Wipe my woman from my mind, so we could play, oh baby  
If I was a fool, I'd follow you home  
I would hug you, kiss you and squeeze you, all night long

But no...  
My mama she didn't raise no fool  
She said, you be careful what you do  
Don't let no-one take advantage of you  
Cause my ma she didn't raise no fool
