

# Joe, Make You My Baby

Yo...

I wanna talk about tonite, u kno  
whas gonna happen, u and me  
listen...

I hear ur body callin, baby rescue me  
girl ur a prisoner, and u need to be set free  
ur body's speakin words tha only my body can hear  
I feel the time is rite cuz we're alone up in here  
staring at me as if u want me rite now  
girl i kno exactly what u need (i kno what u need)  
so many nites i've dreamed of layin u down  
becuz ur a special lady  
and tonite im gonna be making u my baby

(Make u my baby, make u my baby) make u my baby  
(make u my baby, make u my baby) oh, make u my girlfriend  
(make u my baby, make u my baby) yea, tonite  
(make u my baby, make u my baby) di di da da da da

Baby ur voice is whispering, telling me to take control  
our hearts are beating fast, as we're taking off our clothes  
girl i can feel the heat getting strong, im starting to sweat  
baby u and me making history sexually, u staring at me  
(staring at me as if u want me rite now) i kno u want me baby  
girl i kno exactly what u need (i kno what u need)  
so many nites i've dreamed of layin u down, lay u down  
becuz ur a special lady  
and tonite im gonna be making u my baby

(Make u my baby, make u my baby) ooh gonna make u my baby  
(make u my baby, make u my baby) uh, gonna make u my girlfriend  
(make u my baby, make u my baby) all mine, gonna make u my baby  
(make u my baby, make u my baby) tonite, this bed

Afta tonite u'll be (u will be u will be u will be....)  
baby a part of me  
and we will make history  
baby, sexually  
girl, this chemistry  
will last all eternity  
becuz ur a special lady  
and tonite im gonna be making u my baby

(Make u my baby, make u my baby tonite im gonna make u my baby)  
(make u my baby, make u my baby tonite im gonna make u my baby)  
tonite, im gonna make u my baby  
(make u my baby, make u my baby tonite im gonna make u my baby)  
gonna be my girlfriend  
(make u my baby, make u my baby tonite im gonna make u my baby)  
[repeat...fade out]
