

# Joe Nichols, To Tell You The Truth, I Lied

She caught me at home without the lights on  
Ten minutes more and i'd of been gone  
Out somewhere painting the town  
Since your here face to face  
You've got a few things you want to set straight  
On all of the rumors you say i've been spreading around  
Yeah i said i'm glad it's over to tell you the truth  
If you havne't found somebody new I hope you do  
I said i didn't miss you at all  
I never wanted for you to call  
And i never cried but  
To tell you the truth, i lied  
Well i can't deny but baby i tried  
To put you down just to cover my pride  
After all i've said i guess we're done  
If i had to do it all over again  
Before i'd break i'd be willing to bend  
One second chance girl, you'd be second to none
