

Joe, No One Else Comes Close

When we turn out the lights
The two of us alone together
Something's just not right
But girl you know that I would never ever let another's touch
Come between the two of us
Cause no one else will ever take your place

Chorus:

No one else comes close to you
No one makes me feel the way you do
You're so special girl, to me
And you'll always be, eternally
Everytime I hold you near
You always say the words I love to hear
Girl with just a touch, you can do so much
No one else comes close
And when I wake up to
The touch of your head on my shoulder
You're my dream come true
Oh, girl you know I'll always treasure
Every kiss, every day
I love you girl in every way
And I always will cause in my eyes

Chorus (2x)

No one else comes close
No one else comes close
Damn I love you
