

# Joe, No One Else Comes Close

When we turn out the lights  
The two of us alone together  
Something's just not right  
But girl you know that I would never ever let another's touch  
Come between the two of us  
Cause no one else will ever take your place

Chorus:

No one else comes close to you  
No one makes me feel the way you do  
You're so special girl, to me  
And you'll always be, eternally  
Everytime I hold you near  
You always say the words I love to hear  
Girl with just a touch, you can do so much  
No one else comes close  
And when I wake up to  
The touch of your head on my shoulder  
You're my dream come true  
Oh, girl you know I'll always treasure  
Every kiss, every day  
I love you girl in every way  
And I always will cause in my eyes

Chorus (2x)

No one else comes close  
No one else comes close  
Damn I love you
