## Joe, No One Else Comes Close

When we turn out the lights The two of us alone together Something's just not right But girl you know that I would never ever let another's touch Come between the two of us Cause no one else will ever take your place Chorus: No one else comes close to you No one makes me feel the way you do You're so special girl, to me And you'll always be, eternally Everytime I hold you near You always say the words I love to hear Girl with just a touch, you can do so much No one else comes close And when I wake up to The touch of your head on my shoulder You're my dream come true Oh, girl you know I'll always treasure Every kiss, every day I love you girl in every way And I always will cause in my eyes Chorus (2x)

No one else comes close No one else comes close
