

# Joe, No One Else Comes Close (Unplugged)

Mmh mmh ma mmh oh girl  
When we turn the lights.  
The two of us alone together  
Something's just not right  
But girl you i'll would never let another touch  
Come between the two of us always  
Cause no one else will ever take your place.

Chorus

No else comes close to you  
No one make feel the way you do  
You're so special girl to me and you always be eternally.  
Everytime i hold you near you always say the words i love to hear

Girl with just one touch you could so much  
No one else comes close  
And when i wake to  
The touch of your head on my shoulder  
You're a dream come true yeah  
Oh girl you know i'll always treasure every kiss and every day  
I love girl in every way  
And i always will cause in my eyes  
Repeat chorus  
No one else comes close2x
