

Joe Pace, God's Got It

Verse

When you feel you just can't see
your way God's got it, God's got it
No matter how dark the day God's
got it, and He'll make a way
Just wait on Him, trust and never doubt
I know He will surely, surely bring you on

Choir

God's got it, God's got it
God's got it all in control

Bridge

God's got it, yes, God's got it
Just hang in there because God
Will see you through
God's got it, yes God's got it
There's nothing my God can't do
Yes, yes, yes

Just wait on Him, trust and never doubt
I know He will surely, surely bring you out

Vamp

My God's got it, God's got it in control
My God's got it, God's got it in control
