

# Joe Pace, Stand

Chorus:

Somebody told me if I stand,  
God will make a way for me if I stand.

Verse 1:

Hold on, you can make it.  
Be strong, you can take it.  
Stand firm and hold your ground,  
everything you need from the Lord,  
shall be found.

Chorus

Verse 2:

Hold your head up, God will guide you,  
He will be right there, right there beside You.  
If you just trust in the Lord and never doubt,  
I know that He will surely bring You out.

Bridge:

Hold on,  
be strong,  
stand tall,  
I know God will make a way for me.

Vamp:

Stand up, stand up, stand up,  
Stand up, stand up, stand up,  
Stand up, stand up, stand up,  
stand up and see that He is God.
