

# Joe Pace, Yes He Loves Me

Chorus 1:

I don&#039;t know why Jesus loves me,  
I don&#039;t know why?  
And I don&#039;t know why He cares?

Whenever I need a strong tower,  
a strong tower,  
Jesus is always there.

Chorus 2:

Yes, He loves me  
so, so, so.  
So, so, so.  
So, so, so.  
So, so, so.

Verse 1:

It&#039;s not that I&#039;m worthy, not that I&#039;ve been so good,  
don&#039;t always live right, but He&#039;s always understood.

He&#039;s always forgave me time and time again,  
though I don&#039;t deserve it, He&#039;s always been my friend.

Chorus 1

Chorus 2

Verse 2:

He&#039;s always stood beside me,  
kept me from hurt and harm,  
keeping me safely wrapped in His loving arms.

He&#039;s been my protection each and every day,  
He&#039;s been my Savior, and that I can never repay.
