

Joe Perry Project, Discount Dogs

(Joe Perry, Ralph Mormon)
Something that you got
Really drives me up the wall
You got me spinning round and round
I'm heading for a fall
You got me floatin'
I'm the kite on your string
Can't you hear it sing
Can't you hear it sing

When I'm with you, baby
I'm like putty in your hands
Mold me, hold me.
Do everything you can
I just got to have
A little more of your love.
I swear you must have been sent
from heaven up above

Chorus:
Keep me satisfied
Keep me satisfied

Honey, when you do me
Do the things you do
I just can't help myself
I'm so in love with you
You keep on giving it
Everything that you got
I know one thing for sure
You really make me hot.

Baby, can't you feel my heart beat
It's beating just for you
Baby, can't you feel me heart beat
It's ringing loud, it's ringing true

Repeat 1st verse
Repeat Chorus
End.
