

# Joe Perry Project, Life At A Glance

(Joe Perry)

Driving' down the Mass. Pike 4 a.m.  
Blue lights on behind it's my friend again  
Scenery rushing by me I don't see anything  
Headlong life is blinding you gonna find out in the end

Chorus:

Life at a glance  
Your mind's in a trance  
Life at a glance  
Your life's just a chance  
Life at a glance  
It'll break your heart

Well I'm sitting here waiting for a change of heart  
And it feels just like my car won't start  
My hands are full of broken glass  
My wasted time is in my past

Chorus.

Time has come for you and me  
To use what really sets us free  
We'll try on wings of thoughts and dreams  
And run through times of rhymes and schemes

Chorus.

Someday I know we'll live the dreams we left so far behind  
You'll never know unless you try to see what's yours and mine

Chorus.
