

# Joe Perry Project, No Substitute For Arrogance

When you walk like an old man  
Your gonna get treated like an old man  
But when you walk like a young man  
Your gonna get treated like a man, dig

Arrogance  
Arrogance  
Ain't no substitute, for arrogance

Well, every time I walk down the street, you know  
I gotta gleam in my eye  
I gotta click in my heel  
Tell you how I feel, now you  
Don't wanna mess with him  
Don't wanna fight with an arrogant guy  
Don't wanna fool around  
Ohh, Joe, tell me why

Arrogance  
Arrogance  
Ain't no substitute, for arrogance...ha ha

I gotta feel for a battle  
I'll be squawking like a rocker, man  
Ohh, you can't get nothing out, no  
I'll take it anyway I can, baby

Don't wanna mess with him  
Don't wanna fight with an arrogant guy  
Don't wanna fool around  
Fool, fool, fool around

Arrogance  
I got a long time coming to ya  
Arrogance  
I got a long time invested in  
Arrogance  
Ain't gonna let nobody do me in  
Arrogance
